# Turning hobbies into earnings

Being hired to do a single, short-term task, project, or job is sometimes called a "gig." This type of occasional work is part of what people call the "gig economy." Sometimes you can get hired for gigs based on skills you've developed from your hobbies or favorite activities.

#### Instructions

- 1 List at least two hobbies or activities you like to do in your free time and that you're skilled at.
- 2 Share these with your group.
  - Create a group list that details hobbies/activities and skills related to each activity.
- 3 As a group, identify which activities may lead to money-making gigs.
- 4 Answer the "Digging deeper" question.
